BUT GENERALLY SUPPORTIVE OF US POINTS

11. (C) PolEconOff delivered reftel points September 1 to Sanita Krumina of the Nonproliferation and Arms Control Division at the MFA. Krumina responded on September 7 that the GOL was still clarifying with other EU states regarding its position on any Israel-focused agenda item at the IAEA General Conference. However, she stated that, if a specific Israel-focused item is put on the agenda again this year, Latvia would likely vote "no action"--as EU member states did last year.
